

**Springs Valley Blackhawk Brigade March-A-Thon**

*Sponsor Form*

The Brigade practices over 100 hours over the summer months to prepare for the marching season. Students are asked to help contribute their “fair share” by collecting donations and participating in fundraiser projects. The March-A-Thon is a donation drive where 100% of the proceeds are deposited into individual student accounts. Students are asked to raise \$250 over the year to help pay for the marching band and high school band class budget. A detailed listing of funding and expenses is available upon request.

Please keep in mind that the Band Booster budget and the Band Budget are two separate accounts. They each work in tandem to generate funds for the students. However, their fundraising efforts and expenses are separate and unrelated.

If you would like to contribute to a Brigade member, please send in your donation with a student. Checks can be made out to **SV Band**. Please note your donation below.
