This time is approximate. I recommend students call or text home on the bus ride in order to more accurately anticipate parent pick-up times.

Lunch - Students will need \$8-\$10 for food. Drinks are free all day.

Performance Attire - Students should wear tennis shoes and nice shorts. The shorts should be khaki, black, white or grey. Please do not wear athletic shorts. T-shirts will be provided by the band department (free). Students can take the shirts home after the performance.

It is a good idea to bring some sun screen and sunglasses. Lockers are available to rent for the day if a student needs to bring a backpack or other supplies.

Water Park – The water park will be open!
