

Blackhawk Brigade
SV Preview Performance Itinerary - RAIN DAY UPDATED SCHEDULE
September 8th, 2018

PARENTS - Please DO NOT drop off your child by the band room or in the teacher lot. It is extremely dangerous for everyone involved. In addition, we will be using this area for equipment loading and unloading. We ask you use the circle for drop off. Students should park in the student lot.

11:30 a.m. **Photographs with Hudson Photography.** Change into full uniform (including compression wear) for individual and group photos in the gym. Photo orders need to be placed with payment on **September 8th**. Eat before you arrive! Change out of your uniform and compression wear after photos.

EAT BEFORE YOU ARRIVE!

1:30 - 5:00 p.m. **Practice.** Rain or shine, we have things to accomplish. Be prepared to go out in drizzle. We will not go out in downpours or thunderstorms. Depending on weather and how long the photos take, we may end practice before 5:00 p.m.

The community performance and prop practice will be rescheduled for next weekend.

We WILL NOT need student prop helpers this weekend.
