2019 Marching Festival Sponsor Letter

Blackhawk Brigade Supporter:

On October 5th, 2019, the Springs Valley Blackhawk Brigade will be hosting our annual Festival of Marching Bands. In the past, this event has had over fifteen area bands participate in a festival atmosphere that celebrates the marching band activity. This year it is a contest featuring thirteen competitive marching bands. We have enjoyed substantial growth at our event and expect over one thousand spectators in attendance.

This is a great opportunity to get your business more exposure. Donors can also show their support by sponsoring a participation award. All sponsors will be recognized on our website, Facebook page, radio, and festival signage. Please look over the sponsorship levels below and send in your pledge to the Springs Valley Band.
